<p style="text-align: center;">Sunday 5th February</p> <ul style="list-style-type: none"> • U9A, U10A, U11A South East Rugby Tournament at Epsom College – all day 	

Dear Parents,

A couple of staff have asked what I will do with my bike at the end of this year but someone, in their early twenties, with short, brown hair, wearing a green hoodie, took that matter into their own hands last Friday when they brazenly stole my bike as we were dismissing boys from the 11+ assessment. It's a bike that I've had good use out of and it wasn't very expensive but that's not really the point. Theft is such a selfish act and it was surprisingly unsettling to watch the thief, on cctv, speeding off down Marylebone Lane, throwing my helmet to one side. It was broad daylight; there were lots of people around but it happened regardless. Over twenty years ago, I cycled regularly from my home in Archway to Holloway School and back and would leave my bike inside the locked front door. One morning, I woke up to find the bike gone. Admittedly, I had stupidly left the keys in the door and the yappy Tibetan Terriers I had back then made absolutely no noise for once but, even so, it was and is alarming to be at the receiving end of opportunistic theft.

To cheer myself, I recalled how a rucksack I had left on the train a few weeks ago was handed in immediately and the station manager called me before I even realised I'd lost it; or there was the time my mother handed a ten pound note in to the police as she had found it on the pavement with a shopping list attached to a post-it note. I think, in fact I know, there are far more decent people out there than the other way around. Anyway, it gave me the opportunity to buy a new bike, one with better brakes, lighter and with narrower handle bars to weave through the traffic. In a funny way, the experience led to a positive outcome. And then I recalled a proverb from Shakespeare that I had heard years ago, so I close this week with its quotation (I admit I had to check it!): "The robbed that smiles steals something from the thief/He robs himself that spends a bootless grief." (Othello: Act 1, Scene 3)

Have a good weekend...

Nick Baker

Citizen of the Week

This week's Citizen of the Week is George G in 8F. All of his teachers are delighted by George and his oft-noted commitment to ever higher standards but his Art portfolio is absolutely stunning, reflecting a range of accomplishments and a skills-set quite remarkable for a boy of his age. Well done, George!

Sportsman of the Week

This week's Sportsman of the Week is Oliver B in 5T. Oliver's greatest sporting asset is his ability to listen and then put into insightful practice whatever has been coached. He has grown to become a superb, all-round sportsman as a result and will be playing for our A-team in future. Well done, Oliver!

From the Senior Mistress

Miss Olney writes...

Gong Xi Fa Cai!

This week the boys have been looking at Chinese New Year in PSHEE and how it is celebrated across the world. When I was growing up in Hong Kong, I always looked forward to this time of year, especially receiving lai see packets and purchasing a lantern for the Lantern Festival. Unfortunately, we don't have any lanterns on display at Wetherby this week, but Chef Peter put together a brilliant 'rooster' menu and the boys have been looking at their Chinese zodiac animal predictions in class.

Hopefully the year of the rooster will bring lots of luck and fortune to all. Gong Xi Fa Cai!

School Council

The boys were back on great form for their first School Council meeting of 2017. There were lots of great ideas to discuss and so many of the boys brought their School Council boxes along to the meeting which were brimming with ideas. As such, see below the points that have been raised and action points:

Issues/Ideas brought up during meeting:

- **Laptop Token** – Luca (4M) brought some laminated laptop tokens to the meeting and mentioned that they would be a good reward for golden time. He mentioned how if a boy had behaved well during the week, he could receive a token in exchange for 5-10 mins on a computer/iPad during golden time. This is a great idea which could be used more by the Lower School Form Tutors and Miss Olney will discuss with them.
- **Wetherby Tracksuit Bottoms** – Following on from the success of the hoodies, the PLT were hoping to implement tracksuit bottoms this year. Sebastian (8G) showed us the Wetherby Senior ones which look very stylish. Miss Olney will raise this with Mr Blundell/Mr Baker about how practical this would be at Games.
- **Teacher Bake-Off** – Some of the boys suggested the Wetherby teachers have a bake off to raise money for charity. Miss Olney will speak with Miss Martin about how suitable this would be and if we could gather enough support for this.
- **Wetherby mascot** – The boys are still very keen on having a school mascot and understand that an animal is just not practical for the building. However, there was talk of having a goldfish!
- **Lunchtime sauces** – The boys have really enjoyed having ketchup bottles at lunch and have found the majority of boys to be sensible with them. They suggested some other sauces such as mayonnaise and mustard. Chef Peter will be joining us for the meeting next week and we will discuss with School Council how effective this will be.
- **Formal Debate** – Lorenzo (8I) is really looking forward to the RS/Science Debate this Friday and would love to see more events like this in school. He suggested a formal debate for Lower School/Upper School assembly where the audience could ask questions to the debate teams. Miss Olney will speak with Miss Bevan, Mr Metherell and Miss Phoenix (who run Debating Club) to see if this is possible and to organise an assembly to showcase the boys' debating.
- **Highest Housepoint Earner of the Week** – The boys suggested having a 'Highest Housepoint Earner of the Week' overall as well as the highest housepoint earners for form classes. Miss Olney was very keen on this idea and from today, will be adding this to the House Captain sheets for the boys to read out at assembly.
- **School Council Meetings** – The boys were all very keen to have meetings once a week which will start from next week. However, some boys have Wetherby Choir so Miss Olney has explained they should alternate meetings/Choir.

From the Senior Master

Mr Blundell writes...

Many thanks for all those who sent boys in with spare shoes; it really is making a difference in the building. What a week it has been! The weather has been extremely cold this week affecting fixtures throughout so much so that our block of away fixtures against St John's Beaumont was cancelled because of frozen pitches. Fortunately the two senior matches at Wetherby Sports Ground were able to continue and both the 1st and 2nd XIII recorded brilliant victories. Parents can follow our very own sports website at <http://www.wetherbyprepsport.co.uk/> where the results, scorers and 'Man of the Matches' are put on a daily basis. The plan is that this will be integrated into the main school website by the second half of this term, which will look fantastic.

Please can you continue to send the boys in with as much warm clothing as possible especially when we are at Wetherby Sports Ground as the boys do get incredibly cold. We have made a slight adjustment to the calendar next week as we will be holding the Year 6 Inter House Cross Country on Thursday 2nd February in normal Games time. It would be great to see as many supporters there as possible.

From the Maths Department – A trip to the Big Apple!

Miss Kroiter writes...

Mr Gascoine and I are very excited to be able to offer the Year 6 and 7 boys a Maths residential to New York in the first week of the summer holiday. The five day trip will include visits to the 9/11 memorial site, the Statue of Liberty, Wall Street, the Museum of Mathematics, the Empire State Building, the Rockefeller Centre a trip to a Broadway show, dinner at Planet Hollywood, Bubba Gump and The Hard Rock Café. Please read the letter attached for more information.

From the English Department

Year 3 get their very own magical wardrobe...

Miss Phoenix writes...

Inspired by the Year 3 class reader, 'The Lion, the Witch and the Wardrobe', Aran M created his very own wardrobe to Narnia. Complete with leaves made from felt, a clothes line and a Wetherby uniform. This wardrobe had everything a Wetherby boy might need, plus the entrance to Winter Wonderland (Narnia)!

'Adverbs' – YouTube Video

Mr Thorne writes....

Check out my latest video on 'Adverbs types': <https://www.youtube.com/watch?v=Nsl00JCNrbk>

From the Science Department – Year 4 Science

Mr. Metherell writes...

Year 4 are studying 'States of Matter' and this week we have focused on reversible and irreversible changes. To demonstrate reversible changes to the boys we conducted an investigation to see how water can be a solid, a liquid and gas and how candle wax can be a solid and liquid. The boys especially enjoyed the candle wax one! This is something that boys can try at home, with parental help.

Break up an old candle, heat it safely in an old pot and get a clear container filled up with cold water ready. Once the wax is in liquid form, tip the liquid into the clear water and see the results! Ask the boys what we need to do to change the state of a material and see if they can tell you why wood does not turn into a liquid.

From the History Department – Year 4 Anglo-Saxons

Miss Olney writes...

This week the Year 4s have been exploring Anglo-Saxon villages and looking at what life was like. As such, they worked in pairs to explore the village of West Mucking to find out about the different jobs of Anglo-Saxons and what was most important to them. It was great fun using the computers and afterwards, they became archaeologists by finding various artefacts in an online field. For more information on the website that we used, please click on: <http://www.pastexplorers.org.uk/village/>

From the Educational Visits Coordinator – Year 8 Residential Dates

Mr Metherell writes...

Since we sent out the Trips Letter at the beginning of the year there has been a slight adjustment with the dates for the Year 8 Post Common Entrance Residential. Boys will now be departing London on Saturday 17th June and returning on Friday 23rd June. Please adjust the dates in your diaries. Thank you.

From the Catering Manager

Chef Peter writes...

We are looking forward to offering an African themed menu on Wednesday. Attached to the email is the menu for next Wednesday. The Kitchen team and I hope that the boys really enjoy it.

From the Art Department – Good Luck George!

Miss Clifford writes...

George Greig, 8F, has been working incredibly hard to improve his skills in art as his deadline for his Art Scholarship assessment, at Wellington College, is nearly upon him. The photograph below shows the wonderful work that he will present as part of his art portfolio, alongside his fantastic sketchbooks and journals. His portfolio demonstrates he can effectively use pencil, pastel, acrylic and even oil paint! George has been an outstanding candidate and we wish him the best of luck for his assessment day. Good luck, George!

From the Religious Studies Department

Miss Northey writes...

Competition 2017

This year the ISRSA (Independent Schools Religious Studies Association) council invite the boys to think about the importance of religious studies. They are holding a competition and asking all those to enter to reflect on this question and think about the benefits, ideas, values and opportunities gained or perhaps not gained from studying Religious Studies. The closing date is Friday 17th March 2017 – boys should bring their entries in at least a week beforehand. Any further ideas or information please have a look at the information sheet attached to today's Wetherbuzz or contact me directly.

Year 8 RS / Science Debate Day

Year 8 have had a great morning engaging in the Third Annual Great Debate day and contemplating some very deep philosophical questions. A few years ago, Mr Curran and I considered that as our subjects were continuously touching on the same topics that we should allow the boys a chance to really get stuck into some of the bigger issues of life. Today it was refreshing to see so many of our Year 8s using ideas that they have learnt across the curriculum and able to create coherent and, at times, humorous arguments to sway the floor into voting to pass or reject the motion.

After they were split into four groups to debate a particular subject, the boys were given 1½ hours to prepare, research and write their speeches. We heard debates about: the need for robots to be awarded human rights; if our personality has been developed before we were born; if humans are special and can science complement religious belief. Well done to everyone as they all spoke, a scary thought to stand in front of your peers, and genuinely had something original to say. Thanks to Mr Metherell, Miss Hart and Miss Sharp for each coming up with their own motion and helping prepare their groups.

From the Games Department

Rugby As and Bs – A Nail-biting Match Report

Mr Bayes writes...

The Under 11 A and B sides travelled to Regent's Park to play Northbridge House on Monday 23rd January.

As

The game was the As first since a tough triangular tournament against Falcons and Chesham a week before and saw a rejuvenated and hungry side looking for redemption. Vindication came in spades, with a try scoring

frenzy and emphatic victory.

The side led superbly by Cash 'The Jackal' Cooper, outmuscled and outplayed Northbridge House with a stunning display of running rugby. The team rucked well and dominated the breakdown with some excellent clear outs and turnovers.

Nicolas Sesson-Farre, Aidan Dausch, Oscar Sutherland and Samuel Caraffa showed real aggression at contact and ran riot with ball in hand. Teo Mian is developing his game and showing real attacking potential whilst deploying his trademark bulldozer technique.

Nicholas Finch enjoyed an excellent game organising the defence and communicating tactics very well, he also made some invaluable runs into the defensive lines. Ethan Chan was never far from the action and has a superb work rate, often chasing runners down as the last line of defence. Cameron Childs is developing well as a player and is at his best accelerating through gaps in the defence. The man of the match however, went to the Cody 'Pocket Rocket' Juma, who demonstrated a masterclass in tackling. Before the game, Cody came up to me and asked how he could improve. My reply, don't miss a tackle, and that exactly what he did. An outstanding display and a very worthy winner.

Try Scorers (As)	
Aidan Dausch	4
Oscar Sutherland	1
Nicholas Sesson-Farre	3
Cameron Childs	3
Samuel Caraffa	1
Ethan Chan	1
Cash Cooper	2
Cody Juma	2

Bs

Mr Privett writes.....

A strong U11 B side took the field against North Bridge House, and saw some rugby that would make Edmund Jones excited for the prospect of English Rugby.

Off to a quick start, and some excellent footwork, saw Wetherby lead by three tries with a hat trick from the electric Dylan Payne. The tries continued to flow, with a brilliant display of good hands and supporting runners allowed Rafael Harpel (2), Zain Habba (2), and Beau McChesney to all score tries for the Bs. Roman Joseph found himself on every part of the pitch, making tackles, running through gaps, and adding himself to the score sheet.

The Bs showed not only their class in attack, but demonstrated that if you can stop the opposition from scoring you greatly improve your chances of winning. And although North Bridge House had two fast and strong runners, the Bs managed to only concede 3 tries. Charles Mennie demonstrated his strength in defence by tackling every opposition player he possibly could, but also punishing their team by assisting team mates, and running in 3 tries for himself, subsequently awarding himself 'Man of the Match' for his all-round performance in attack and defence. As a whole team performance, every boy showed superb footwork, and strong defence. Well done.

A heroic effort at the first Cross Country Event of 2017

Mr McClinton writes...

Well done to all our boys in this the first cross country event of 2017. It's going to be a busy term and we started in impressive style in our race against The Falcons School.

Noteworthy was Alexander Williams (1st) and Alec Hogarth's (2nd) place finish. These two boys have been outstanding on the cross country circuit over the last year and their fitness and experience showed in what was a strong field of 22 runners. Claudius Wheeler (5th) and Laurence Fritze (6th) performed ever so well. I look forward to reporting back to you with our on-going successes as this season unfolds. Sebastian Moscoso (12th), Killian James (16th) Harry Coombs (17th) & Barnaby Russell (18th) ran with fierce determination, an outstanding effort, well done.

Gold Standard Rowing in Oxfordshire

Having prepared for this event since September last year, there was an air of anticipation at the South of England Schools' Indoor Rowing Finals in Oxfordshire. Well done to the following boys for improving upon their personal best scores and acquitting themselves so well in what was a memorable weekend for our boys. A special mention must go to William H for taking gold medal in the Year 8 final setting a personal best and Wetherby Prep all-time record of 836 metres in his gruelling three minute time trial.

Year 7 – Laurence F, Sebastian M, Arthur K, Max A

Year 8 – William H, Albert S, Zain A, Harry C

Cricket Helmet Recommendations – Updated

Mr Billingham writes...

For any parents planning on buying or upgrading their son's helmet, the England and Wales Cricket Board (ECB) strongly recommend that school players only wear helmet that comply with the new specification; this will be clearly labelled "BS7928:2013" The school has got plenty of helmets for the boys to use so please do not feel that you will need to buy one.

Below are the latest helmets that meet the new specifications (N.B these the list is constantly being updated and can be found on the ECB website):

Tested against both men's and junior balls	
Gray-Nicolls	Shrey
Atomic Helmet	Armor Senior Steel
Test Opener Helmet	Armor Junior/Youth Steel
Omega XRD Helmet	Performance Senior Steel
Gunn & Moore	Performance Junior/Youth Steel
Icon Geo Senior	Stanford Cricket Industries
Icon Geo Senior Small	Platinum Junior
Purist Geo Senior	Yonker
Zona Geo Senior	Protech junior
Zona Geo Senior Small	Matrix junior
Incredible Cricket Company	
Xero Junior	
Masuri	
Vision Series Elite Titanium	
Vision Series Elite Steel	
Vision Series Test Titanium	
Vision Series Test Steel	

Week 17 Fixtures

Last Friday the Wetherby Cross Country Team took part in the Falcons Cross Country. All boys ran extremely well and showed great heart. A special mention goes to Alexander Williams who won the whole event.

Runner of the Day

Alexander Williams

Sunday saw 8 boys take part in the South of England Indoor Rowing Championships. All boys did the school proud and worked incredibly hard. A special mention goes to William Hoskins who won the Under 13 event. An incredible effort!

Rower of the Day

William Hoskins

Monday saw the Under 11s take on North Bridge House. The boys played some excellent attacking rugby and ran in several well-constructed tries. A special mention to the A team who won 50-5

MoM

As - Cody Juma

Bs - Charles Mennie

On Tuesday the Under 8s took on Orchard House. All boys worked hard and it was pleasing to see them putting into action the things they have been learning. A special mention goes to the Under 8As who won 40-30.

MoM

As-Taymour Auch

Bs- Krishna Agarwal

On Wednesday the 1st XIII and the 2nd XIII took on St John's Beaumont in the first fixtures on the new 3G astro. All boys played really well against a very strong rugby school. It was fantastic to win both the matches. A special mention to first team who won 45-5.

MoM

1st XIII - Giovanni Bonfiglio

2nd XIII - Zain Ahmed

Top Try Scorers

Chinonso Ogbunude	10
Joshua Ashley	10
Harry Coombs	9
William Hoskins	9

From the Performance Corner – A Winter Warming Smoothie!

Mr McClinton writes...

In light of the cold weather, here is a winter warmer for you. Add fat and protein for optimal performance and recovery.

Blend the following:

Unsweetened almond/hazelnut milk (protein)
Pear, apple or banana
Avocado (protein/fat)
Coconut butter (healthy fat)
Tbsp turmeric powder
Almond butter (healthy fat & protein)
Chunks of fresh ginger, grated or finely chopped
Manuka honey (to taste)

Blitz until smooth and heat the blend until suitably warm. Enjoy!

From the Maths Department – Weekly Challenge

House point for each. Congratulations to the above pupils. Please make sure that all answer sheets include workings out, full names and forms please.

Out of School Achievements and Photos

Wetherby boys impress at the National Fencing Championship

Rupert C (8B), Jonathan C (5B), Marco C (8B) and Yermek A (8G) were in Cardiff this week to compete in the first national fencing competition of the season.

Rupert and Yermek had tough 14/15 year old opposition as they moved into the U15s category and did really well considering they, also moved up a blade size with little preparation. Marco, who is still U13, also did well and got through to the second round of DEs.

Jonathan, however, in his first national competition (also moving up a blade size this month) managed to get through to the finals and narrowly missed gold and first place but came an amazing 2nd place beating fellow club team mate who was ranked 1st nationally last year.

Jonathan now has a national ranking of second place for U11s with Leon Paul Junior Series.

Needless to say, Jonathan was SO chuffed as were his amazing coaches aka Rupert, Yermek and Marco who did a fantastic job coaching him at every two minute rest period.

Ethan C (6T) smashes it at Bishop's Park Tennis Championships

Ethan has been off the tennis circuit since September due to studying for exams, which are finally over!

He celebrated by playing his first tournament this year on Sunday and was delighted to win the tournament bringing home this trophy. Well done, Ethan!
