Dear Parents,

It's coming to the end of the Spring Term so it must be 'Play Time'! I got in the mood on Wednesday by watching my younger son, Joseph, play the part of the Doctor (please, please let that be a pointer towards a future career!) in his school's production of 'Matilda'. That was great fun and the opportunity last night to see members of my other 'family' in Wetherby Prep's production of 'Peter Pan' was something I was really looking forward to. What a performance that was: it was totally professional, with brilliant acting, amazing choreography and scenery - just so entertaining and summed up perfectly by one boy who said to me afterwards, "That was slick!"

I have worked on many school plays in my career and can well imagine how Mrs King might be feeling today, after a triumphant evening and a term and a half of hard work, occasional frustration and mild panic. She, together with all supporting staff, did a brilliant job, as did those fantastic boys – there is some genuine dramatic talent amongst that company. I can also empathise with how Miss Twomey might be feeling, 48 hours before her first major school production at Wetherby Senior. In the few excerpts I have seen, it looks fascinating and I can't wait to see how a production, 'set in all parts of the school' is actually going to work. It's a really ambitious plan but the calm demeanour and glint in the eye of Abbey Twomey tells me not to worry. I have no doubt it will be sensational...

Have a good weekend,

Marlborough Prefects' Dinner

On Tuesday night I was delighted to attend the annual 'Prefects' Dinner' at Marlborough College. Last year I went as the guest of Henry Anthony (2011 leaver) and this year George C. Great to hear of Wetherby old boys being such fine ambassadors in their senior schools and meet them again to catch up on news. George rowed the Thames last year and is waiting to hear whether he has been accepted to Georgetown University in the US.

Birthday Books

I am delighted with the positive response to 'Birthday Books'. It's not George Sakellariou's birthday this week but he has donated one for each of his years at the school. Great choices - thanks George!

Last Day of Term Arrangements:

Please note the following arrangements for the last day of term on **Wednesday 29th March**:

- Children should come to school instead of Church.
- **Boys should come into school in full school uniform with a blazer.**
- Assembly is from 11am-12pm and parents are very welcome to attend this.
- Boys can be dismissed from the Church after this if a parent is present. Otherwise, pick-up is at 12:45pm and buses will depart at 1pm.

Citizen of the Week

This week's Citizen of the Week is Iskander A in 4M. Kind acts that spread a little happiness each day are great habits to develop. Without fail, Iskander's manners are impeccable and, every day, his early morning greetings and afternoon farewells, always accompanied by a sincere smile, are really appreciated by us all. Well done, Iskander!

Sportsman of the Week

This week's Sportsman of the Week is Lucas S in 6J. Lucas put lots of energy, skill and courage into last week's ski trip, proving himself to be a very accomplished skier for his age as he competed in the Under 13s races, rather than the under 11s. He was great company and behaved impeccably throughout the trip too. Well done, Lucas!

From the Senior Mistress

Miss Olney writes...

It was another great week for the boys at School Council and it's always so exciting to see so many of their suggestions and initiatives taken up by the staff. This week some of the latest thoughts included:

Issues/Ideas brought up during meeting:

- **Year 4 Locker Room Monitors** – Last Thursday Miss Olney met with Arki, Luca and Boris to discuss Year 4 locker room monitors. Each of the boys selected 3 candidates and they put the boys to a vote in their forms on who they think would be good to take on this position of responsibility. From next term the below boys will look after the locker rooms in the morning from 8:20-8:40am.
4K – Sami Kymisis
4B – Vote to take place this week
4M – Elyas Efthimiou
- **Locker Room Supervision** – The boys are thankful for Mr Baker raising the issue of boys racing around

the building when they go to break/come back in the building. They feel that the system of different year groups going through the front/back has already eased congestion at the back of the building. The boys, particularly Year 7 and 8 mentioned that there is quite a lot of pushing to get to Games/after lunch at 1:30pm and at home time. Rather than have a boy supervise the locker rooms, they wondered if a teacher would help supervise this area for the 5 minutes before Games leaves on the buses/at home time to stop the boys rushing around.

- **Homework Diaries** – All the boys brought some brilliant suggestions of pages for the homework diaries to the School Council meeting. These included from each class:

Lower School		Upper School	
3P	<ul style="list-style-type: none"> • Blank pages • Word searches • Scrap paper 	6B	<ul style="list-style-type: none"> • Snack timetable • Colouring in/doodle page • World Records
4B	<ul style="list-style-type: none"> • Crosswords • Lunch menu for the term 	6J	<ul style="list-style-type: none"> • Warhammer statistics • Scrap/notes page
4K	<ul style="list-style-type: none"> • Worry page • Colouring in page 	6T	<ul style="list-style-type: none"> • Football World Cup table • Notes page
4M	<ul style="list-style-type: none"> • Most popular book page • Scrap paper/notes 	7M	<ul style="list-style-type: none"> • Exam results • Password page
5B	<ul style="list-style-type: none"> • Doodle page • Sudoku 	7T	<ul style="list-style-type: none"> • House colour logo on the front • Doodle page
5K	<ul style="list-style-type: none"> • Important facts • Achievements 	7V	<ul style="list-style-type: none"> • Map of the school for Year 3/4 • Doodle page
5T	<i>Louis was absent</i>	8B	<ul style="list-style-type: none"> • Endangered animals page • Calendar page
		8F	<ul style="list-style-type: none"> • Important events page • Fill in homework/revision page
		8G	<ul style="list-style-type: none"> • Revision tips page (to be moved from March to the back) • Fire exits on map of the school
		8I	<ul style="list-style-type: none"> • Move housepoint sheet to back • Coloured tabs for the sections • Blank timetable to customise

The most popular suggestions from the boys included a doodle/colouring in page and more notes pages where they could use to write out key points. The ideas differed considerably from the Lower School to the Upper School in what they wanted in their homework diaries.

Action Plan:

Boys will share these ideas with their forms and talk to them more about what was discussed.

- ❖ **Year 4 Locker Room Monitors** – 4B will vote on their chosen boy and this will be announced in assembly NEXT term and these boys will be awarded a badge as a position of responsibility.
- ❖ **Homework Diaries** – Unfortunately, Miss Clifford couldn't attend the meeting this morning so Miss Olney will meet with her to share some of the ideas about homework diaries.
- ❖ **Locker Room Supervision** – Miss Olney stressed to the boys that they should be proactive and as boys who have positions of responsibility, they should communicate to their forms about being more mindful of those around them. Miss Olney explained that Miss Balgobin is in the Locker Room at the end of the day but will speak with Mr Blundell about the possibility of a member of the Games staff to be present just before Games departs in the changeover period (1:25-1:35pm).

Next meeting is scheduled for Tuesday 28th March at 8:30am in the Dining Room. There will be an Easter treat so all School Council/PLT boys should attend!

From the English Department - Spring Term Reading Champions

Congratulations to the following boys who were great ambassadors for reading this term!

Alexander Campbell (3P), Zayd Sindi (4M), Monty Sutherland (4M), Edward Seppala (4K), Charles Gouilliard (5K), George Sakellariou (5T), Roberson Brown (5K), Oscar Beard (5B), Alani Mosaku (6J), Alexander Lewisohn (6T), Lucas Bloom (7V), Ahmed Alshubaily (7T), Matteo Hurrell (7T), Jacob Sinsheimer (8B), Sebastian Lind (8G), Nilesh Jayaraj (8I) and Zachary Crapanzano (8G).

From the French Department - Notre séjour en France....

Mrs Bassett writes...

Last week the boys spent an action-packed week in Normandy, France. The boys enjoyed taking part in the various activities on offer and were able to taste authentic French cuisine cooked by our very own chef, Pascal. Most importantly, all the activities were led by native French speakers and the boys were given many opportunities to hone their French speaking skills and practise their pronunciation. The boys had a thoroughly good time. Here are some of their comments;

Douglas Moody-Stuart - 'J'adore faire les magasins, c'est amusant!'

Teo Hasecic - 'I loved the food and the quicksand! I've always wanted to be in it and now I finally have! I have also learnt to ask for a knife in French, un couteau s'il vous plait!'

Kirill Povarenkin - 'I liked going to see the Mont St Michel and I also liked learning to make bread!'

Nicholas Dyer - 'I learnt how to say: Encore du pain s'il vous plait (more bread please)!'

Wetherby Prep presents 'Peter Pan!'

Mrs King writes....

CONGRATULATIONS to the cast of 'Peter Pan!' After months of preparation, this talented group of boys put on two superb shows yesterday. They have worked so hard over the past three months, not only in rehearsals but for hours at home, learning their lines and practising their dance routines. The standard of singing and acting this year was particularly high and special mention has to be given to all the soloists who gave outstanding performances. With only a limited time in the theatre, it is so lovely to see the boys working as a team and supporting one another backstage; the show comes together right at the end due to all the comradery between the boys and the staff. I am so proud of everyone involved in 'Peter Pan'. Well done!

The evening performance was filmed by the 'Projectors'. If you did not manage to order your copy last night, please find a link below to purchase the DVD: <https://www.theprojectors.co.uk/pages/search-results-page?q=3310>

Wetherby Young Film Makers Competition

Mr Bayes writes...

Traditionally Year 8 create short films in ICT at the beginning of the Summer Term. The standard of work in recent years has been exceptional and the craftsmanship and attention to detail from the entries has been first class. We have decided to create a school wide competition to find the finest short film maker in Wetherby. We encourage you all to get involved and produce your best work over the Easter break. An awards ceremony will be held at Friday's assembly where the winners will be announced. So get your acting, directing, editing and producing hats on, stir those creative juices and get film making!

Details for the competition:

- Deadline for entries: 1st May 2017
- Categories: Live Action / Animation / Documentary / Other
- Max Film length 3 minutes
- If you are working collaboratively please detail a full list of cast and crew when submitting your entry.
- Submit your MP4 file via memory stick to Mr Bayes or Mr Morrison. Please note you must ask your parents' permission before uploading any film to social media.
- The film submitted should be entirely your own work.

From Clubs

Miss Kroiter writes...

History Club

We have finally made our Motte and Bailey castles and the boys are extremely proud of their creations. Nothing like a bit of subtly used masking tape to hold those final little pieces in place! Well done, boys!

It appears Jack G's (4K) kitten enjoyed the castles too!

IAPS Ski Championships in Passo di Tonale

Miss Martin writes...

Last Sunday, at the crack of dawn, 12 boys embarked on a plane to Milan to go to the IAPS Ski Championship. A fabulous week was had by all, and the weather was incredibly kind to us, with bright sunshine each day.

The boys enjoyed 4 days of intense skiing - predominantly practising their racing technique for giant slalom, which was the discipline for the competition. Under the guidance of Our Italian ski instructor, Christian, the boys progressed quickly and as a result, achieved some great times in the qualification races on Tuesday. These ensured that we had 2 teams into the U13 championship competition and 1 team into the U11 plate competition. More training on Wednesday meant that the boys were race ready on Thursday! A tough course with hard snow meant the boys had to focus round each turn. We were incredibly proud of the

boys. The U13A team, consisting of Rupert Cullinane, Myles McLean, Francesco Nagel and Edward Darwent produced some extremely good times but not quite enough to creep into the medals. Our U13B, consisting of Rudolphe Stern, Maxime Chailley, Lucas Silberschmidt and Ethan Chan team showed persistence and technical skill and special mention must go to Lucas and Ethan who were competing in the older category. Our U11 team, consisting of Jonathan Rudd, Aidan Dausch, Oscar Sutherland and Alexander Lewisohn did brilliantly across 2 runs and their times collectively meant that they achieved silver medals! Well done to all boys who participated! They attacked each race in true Wetherby fashion and their ski kits really did look very slick..... go #teamwetherby. Huge thanks to the staff from Passo di Tonale for looking after us during the trip, and for putting together this fantastic video (with lots of Wetherby appearances!)

<https://www.dropbox.com/s/944839ptjfbp8mr/laps%20Ski%20Championship2017.mp4?dl=0>

We will have trials taking place for next year's championships next term that will take place on **Saturday 10th June**. Boys in years 6-8 are welcome to participate in these. There are only very limited places on the team and places for the trials day will be allocated on a first come, first served basis.

From the Games Department

Mr McClinton writes...

Visit from Watford Footballer Adrian Mariappa

It was a delight to welcome current Watford footballer Adrian Mariappa to Wetherby this week. Adrian spent one hour with Year 8 talking about life as a professional footballer as well as taking lots of questions from the boys.

Having taught Adrian in my first teaching post, staff and pupils agreed Adrian was both eloquent and modest and appeared to thoroughly enjoyed the experience.

Mr Bayes writes...

The Fourth Annual Parent-Son Golf Tournament

I am thrilled to announce the fourth annual Parent–Son 9 Hole Golf Tournament, to be held at Fox Hills Country Club. The event will be held on September 29th April from 9.30am – 12.30pm. We are looking for keen Wetherby golfers to pair up with a family member; Mum, Dad, Grandfather, brother etc. Pairs will compete against each other for a whole raft of prizes including longest drive, nearest to the hole, overall pair champion and overall individual champion. All golfers will be expected to have some prior experience. Tee times will commence at 9.30am and lunch and prize giving will be held at 12.30pm.

Please email me at dean.bayes@wetherbyprep.co.uk to register your interest in the first instance. There are a limited number of places and they will be assigned on a first come first served basis. The cost will be £100 per pair and will include a two course set-menu meal at the completion of the round. To secure your place, please deliver a cheque to Miss Fekete at reception, made out to “Wetherby Preparatory School”. The envelope should be clearly marked “Wetherby Golf Day”. Please write the full name of the playing pair on the back of the cheque. Entries close on April 24th 2017.

From the Performance Corner – Golden Turmeric smoothie

Mr McClinton writes...

I hope you and your son are enjoying the weekly Wetherbuzz health and nutrition piece. Please do email if you would like me to cover a topic of interest regards to exercise and nutrition.

Turmeric is such a well-researched compound these days. Evidence shows that it's the active curcumin component in this golden root spice that supports health and performance on so many levels. Rich in anti-oxidants however somewhat bitter in taste, try blending the powder with these fruits/vegetables to transform this drink into a delicious tasty elixir.

Papaya contains several unique protein-digesting enzymes such as papain. These enzymes have been shown to help lower inflammatory conditions such as joint pain as well as maximize nutrient absorption. Also consider adding a probiotic. 70 percent of our immune system resides in the cells of our gut wall. Probiotics proliferate healthy cell formation and consequently health and wellness. A quality supplement from a reliable brand is very important. Avocado provides a creamy texture as well as an abundance of vitamins and minerals. Coconut butter increases the absorption of turmeric absorption tenfold and, as always, the seeds provide fibre, healthy fats and a spectrum of micro nutrients that captures the essence of good health in this liquid meal. Bee pollen is revered as a super food supporting so many mechanisms in the body. It's also a wonderful source of protein. The spice cinnamon adds a delicious tasty twist as well as balancing blood sugar and hence energetic demands.

I look forward to hearing from you!

Ingredients

1 apple (green) or banana

1 papaya

300ml coconut/almond milk

2tsp turmeric powder

1 probiotic capsule

1 avocado
1tsp coconut butter
1tsp bee pollen
dash of cinnamon powder
1tsp flaxseeds
1tsp chia seeds

Blitz in a blender, add ice if required.

Killian J competes in London Fields duathlon

Last Saturday Killian J (7T) competed for the Serpentine Running Club with 13 & 14 year-olds in the London Fields Duathlon at Stratford Velodrome. Killian recorded a respectable time of 30 minutes in the Tri-Star 3 competition. Well done, Killian!

Soaking up the sites on an epic walk home!

James (7T) and Jasper (5B) normally cycle in to school and get the bus home but for a change they walked the three miles home last week. They enjoyed taking in lots of interesting sites and getting a lot of exercise!
