From the Headmaster

Dear Parents,

This is going to be a special Wetherbuzz entry. Contrary to certain unfounded rumours circulating among the senior members of staff, let me reassure you all, parents, teachers and students alike, that I will hold my Headmaster's position at Wetherby Prep for one day only. Mr Baker is continuing in his leadership role.

What a day it has been so far! I woke up early this morning, well ahead of my children, my wife and our dog, Lupo. I was electrified by the prospect of my new headmaster's role, since last night. I felt as if it were my first day at school. Arriving ahead of others, I proceeded to address the whole staff in the canteen, talking about candidates for Citizen of the Week, Sportsman of the Week, the Class Achievement Award and sharing praise of so many of the employees who devote their time to the school in such exemplary and inspirational ways.

We then proceeded to Assembly, where I had to announce bronze and silver Headmaster's Good Shows to the boys. I am afraid many of the surnames may have been altered by my strong Italian accent but I trust I got a few well pronounced, as they sounded familiar due to their Latin origin. Remembrance proceedings and the playing of *The Last Post* were very moving.

I then participated in English lessons for Year 5. I confess it felt a bit emotional seeing my son, Michele, attending class with all his mates. I got to award housepoints to the best pupils for their work. Let me tell you a secret: these housepoint booklets make you a very powerful and respected man in the school.

I then spent a couple of hours with the School Council. This was a particularly interesting, fun and humble moment of the day. To be able to interact with the boys, discussing everything, from the most light and childish ideas to war, Brexit, from drugs to football to hypnotism. The boys' enthusiasm, their innocence and the originality of their vision are a huge breath of fresh air into that of the everyday, adult life.

Thank you, Mr Baker and all staff at Wetherby Prep, for allowing me here today. Congratulations on all you are doing for our precious boys.

Mr Aliboni

Citizen of the Week

This week's Citizen of the Week is Frederick E in 5K. Something that we value particularly highly at Wetherby Prep is when older boys are kind to younger ones. Teachers have noted this admirable quality in Frederick at Hyde Park and were so impressed when he volunteered to read to the Year 3s during Form Time. Well done, Frederick!

Sportsman of the Week

This week's Sportsman of the Week is Benjamin G in 6L. Benjamin is a talented all rounder and consistent role model to his peers who clearly have a high regard for him. Benjamin never fails to impress his coaches with his team spirit and cheery outlook. Well done, Benjamin!

From the Senior Mistress—Manners

Miss Olney writes...

We've been on the lookout for general manners this week and especially 'eye-contact' in lessons. Lots of staff have commented on how great the manners have been and even on a parent tour yesterday, the parents said how great the manners were of the Wetherby boys.

Manners though are something we don't want to slip and old habits die hard, so the next focus for the week is being more aware of pedestrians when you are out at Hyde Park, walking back from church or walking to school.

Remember that there will be a prize at the end of term but only if we keep up these manners and believe me, the prize is pretty amazing...

Finally, I just wanted to commend the following boys on their excellent manners this week:

Christopher T (8B) – He was walking alongside me in the corridor and as we reached a door he automatically stopped to allow me through. It was clearly a learned behaviour because it was so natural. (Miss Balgobin)

Edward J (6T) – Edward, is always impeccably mannered. He never forgets to say 'thank you' at the end of each form time and lesson, and regularly engages (with v good eye contact) in conversation with me, asking how I am and how my day has been etc. He is such a lovely boy and a pleasure to teach. (Miss Taylor)

Edward S (5T) – Last week I was called into Mr Hewitt's English lesson to hear a lovely story of how one boy in the English class couldn't find his folder so Edward stepped in to help and when he found this boy's folder he had a genuine look of excitement for this boy. Such a lovely story!

Kieran O'K (4B) – Everyday, Kieran is so polite and stops to ask if he can help carry any books or how my day is going. Our focus has been on 'eye contact' and I've noticed that Kieran always looks me directly in the eye when he speaks to me and his exemplary manners match this!

School Council writes...

Attendance: School Council Representatives, PLT and Miss Martin

Wetherby Burger – Last week, Chef Peter spoke to Miss Olney about creating a ‘Wetherby Burger’ designed by School Council. Chef Peter has spoken with the butcher who will visit Wetherby with ingredients for School Council to have a go at creating a delicious burger. The butcher will then go back and make up some samples for the boys to vote on their favourite. This will then become the ‘Wetherby Burger’!

School Council Competition – Some great ideas for competitions including a ‘Christmas Costume Competition’ and a ‘Decorating your home for Christmas competition’ but no fixed theme yet. Miss Clifford has mentioned a competition idea already that she’ll speak with the boys about at the next meeting...

Mr Baker’s Christmas Costume – This is top secret and School Council have voted and unanimously decided on Mr Baker’s Christmas costume for the end of term. Even Mr Baker doesn’t know yet!

Charities – Miss Martin visited School Council this morning and spoke to us about creating different events for our school charities. She is going to be running a competition next term for boys to come up with the most creative fundraising ideas outside of school to raise money. Kilian Seidel (6T’s School Council rep) completed a charity run at the weekend for example. Some boys might want to hold a hot chocolate stand and raise money this way. School Council will speak to their forms about Miss Martin’s initiative and get them thinking creatively about charity projects for next term

Rwanda Aid Representatives – Miss Martin also spoke to School Council about choosing two representatives (from Year 7 and Year 8) to attend meetings on behalf of Wetherby Prep for Rwanda Aid Youth associations. The two boys selected will meet other representatives from other schools, such as Devonshire House, and discuss ways of supporting the charity. If a Year 7 or Year 8 boy is interested in this, then they should speak to Miss Martin.

Clubs – Cash Cooper showed Miss Olney a ‘sign up’ sheet for American Sports Club for the Year 7 boys as clubs need a minimum of 7 boys to run. As such, Miss Olney has already shown this to Miss Clifford who is keen to bring this in for Year 7 in the Summer Term.

Curry Accompaniments – Matteo really enjoyed the chicken curry yesterday, as did lots of the other boys. School Council asked if they could have some accompaniments with their curry such as mango chutney, poppadums or even a mini naan!

Snacks – School Council have asked if they could have dried mango as a snack at break as well as the sunny fruit.

Games photos/matches – School Council are really proud of their franchise football teams and asked if they could have a franchise football team photo at the end of the term. Also some boys asked if they could arrange an educational sports trip to see youth football teams in action and see how they are training. Miss Olney will mention this to the Games Department.

End of term/year treat – Some of the boys in School Council suggested an end of term/year treat for the winning form to see a film at the cinema.

The next meeting is scheduled for Tuesday 14th November at 8:30am in the Dining Room.

From the Assistant Head—Hyde Park Change of Shoes

Miss Clifford writes...

The weather is changing, and Hyde Park is starting to become muddy. Please could we therefore remind the boys to bring in a spare pair of shoes to change into for break time at Hyde Park. Football boots or an old pair of trainers would be ideal. Many thanks for your support with this matter.

From the English Department—Year 7 Letter to Mr Capulet

Mr Thorne writes...

Boys in Mr Thorne's English set were instructed to write an apology, in the role of Romeo, to Lord Capulet for turning up unannounced at the Capulet ball. Emphatically, the boys wrote on 16th century notepaper and used Shakespearean register throughout. Prodigious responses, as you can see from the examples here.

roses garden of your beautiful mansion. Whilst

From the Music Department—A few announcements...

Miss Orpwood writes...

Charles P in 4B has been very busy singing with The Capital Children's Choir. Last weekend at the American football match in Twickenham, Charles and his choir sang both the American and British National Anthems to a ginormous audience. It was also on the telly and there were some close ups of Charles. Well done!

Marylebone Lights and Wetherby Voices

Next **Wednesday, (15th November)**, we have our first Christmas event at Wetherby. Wetherby Voices will be kicking off the festive season by singing at the switching on of Marylebone lights. We are due on stage at **4.30pm** so if parents would like to come and listen please make sure you are there in plenty of time. If your son is taking part in this event please make sure you have your winter woollies at the ready as I think it is going to be quite cold!

Magister Vogiatzis scribit...

This project is optional! Please choose from one of the following options. You must complete the form below, write in your project choice and get a Parent’s signature.

Students need to include a bibliography of three or more sources. They cannot all be internet sites. Google is a search engine not a site.

1. Mosaics were a popular art form in the Roman Empire and were used to decorate the floors and walls of homes and public buildings. Create a mosaic design by gluing pieces of colored paper, small tiles or stones into designs from nature or Roman mythology. Refer to books with pictures of Roman mosaics or excavations of Pompeii. Your project must be no smaller than 12” x 12”. Write a 1-2 page paper about mosaic art in the ancient Greek and Roman era.

2. Create a diorama of Pompeii showing what archeologists have discovered about the eruption of Mt. Vesuvius. Your diorama should be no smaller than an adult shoe box. Attach a 4 x 6 note card explaining your diorama to the back of your project.

3. Choose a mythological god or goddess and write a 1-2 page paper about them. Create a throne to represent your god or goddess. Thrones should be no smaller than 12” tall x 8” wide and no larger than 2’ tall x 18” wide.

4. Create a model of an ancient Greek or Roman building such as the Pantheon, Coliseum, Parthenon, Acropolis, or a temple. Models should be no smaller than 12” x 12”. Write a 1-2 page paper about the importance of this building and its history.

5. Research a famous ancient Greek or Roman person that had an impact on their culture. Create a poster board about them with a 1-2 page paper about what you learned. Some choices are as follow: Julius Caesar, Octavian/Augustus, Constantine, Theodosius, Marcus Aurelius, Mark Antony, Cassius, Socrates, Plato, Heraclitus. Only one student per person.

6. Research the exciting pentathlon and learn about one way the Olympics have changed throughout history. Use the internet to find out more about the participants and judging of each of the five events. Make a book about your version of the pentathlon. Include:

Page 1—cover with title, your name, class period, date and a picture,

Page 2—introduction and three resources,

Pages 3-7—should be one page for each event (list the event at the top of each page and draw below it) Draw accurately, neatly, add detail, and use colored pencils. Books should be made from sheets of standard white paper folded like a book or you could use full sheets.

Have fun, learn a lot, be neat, and remember PRESENTATION!

From Citizenship—Year 6 Citizenship Trip to Houses of Parliament

Mr Metherell writes...

On Monday 6th November, Year 6 visited the Palace of Westminster to go on a tour of the Houses of Parliament and take part in a Voting and Representation workshop organised by the Education Service. As we were the first tour to go through for the day we were able to go into both the House of Lords and House of Commons chambers which is always a highlight. In the workshop the boys organised themselves into political parties, developed a manifesto and then we held an election. In my group the Nature Party was victorious, but had to go into coalition in order for Leonardo to be crowned as Prime Minister!

We received very positive feedback from our tour guides and workshop leaders, especially noting the excellent questions. The Education Service also gave us some good resources so next week, in form time, all classes will be watching a selection of clips that explain the role of Parliament, the role of the House of Commons and the role of the House of Lords.

Inaugural WPS Franchise Cup

As the regular Senior Franchise season drew to a close last week, we ushered in the inaugural WPS Franchise Cup. After an extremely close season with only a goal's difference separating some of the teams all eyes were now turned to the cup competition. In true cup-style past, the good form was through the roof. A cup win was open to any team with the desire to take it.

The day started with a live draw to decide the first round matches. With some exceptional art work on the draw balls tokens by Miss Kirby adding even more excitement to the proceedings, Mr Blundell and Mr Criddle drew the first round of matches, adding grandeur to the occasion.

Round 1

Crusaders vs. Dragons
Spartans vs. Storm
Vikings vs. Sharks

With the 1st and 2nd teams from the regular season drawn against each other, an upset was on the cards. After three extremely close matches (and one huge upset) we had our three finalists;

Crusaders, Spartans and Vikings

The three remaining teams battled it out for 4th place in a truly competitive fashion proving how closely matched they all were. After the 4th place play off all the teams were level on points with only a goal's difference between the Dragons and the Sharks. We were left no choice but to decide 4th place in the only fair way, a game of rock, paper, scissors! After what must have been the tensest game of ever, the Dragons took home the glory and secured 4th place. Well done, boys!

The finalists took to the field all hoping to take home the first ever WPS cup win. A tense first match saw the Viking draw first blood with a 2-1 win over the Spartans. This was followed by a tense end to end 0-0 draw between the Spartans and the Crusaders. This meant that a win for the Crusaders would be enough whilst only a draw was needed for the Viking to win it all. Both coaches were allowed some time to prepare their teams as a tense coin toss decided who would kick off. After a nail-biting first period where the bar and post were struck by the Crusaders, the Viking had just enough left in the tank to eke out a draw. Players, coaches and spectators went wild as for the first time in history, not only had the Viking won the cup but they had achieved an undefeated season! They celebrated in the only way a Viking can, 'The Viking Long Boat'

A truly enjoyable day for everyone involved and a spectacular season all round.

Three Cheers for the Vikings!

Wetherby Swim Squad against Ibstock Place and Old Vicarage

Mr Bayes writes....

The Year 3- 6 swim squad had their first outing to Roehampton on Friday 3rd November to compete in a tri-school gala against Ibstock Place and Old Vicarage. I was very impressed with the high level of quality swimming displayed by all Wetherby swimmers. A special commendation goes to the following Year 3 swimmers, Max Basirov, Alexandre Dupuy, Benjamin Gray and Bailey Pittack. All of who swam beautifully in their first ever gala. I look forward to more success from these young swimmers in the future.

Year 4 swimmers, Oscar Hawtin, Elendu Ukeje, Willoughby Hassall, Filippo Hurrell and Taymour Auchy fought hard against some stiff opposition in their competition, wrestling the lead back and forth as the gala progressed. The Year 5 swimmers, Felix Welter, Kyu Dionisio, Ethan Ruimy, Ayrton Palmer, Joshua Linnane and Michele Aliboni, performed brilliantly both in the individual races and relays enabling them to edge ahead on the score card.

However, it was the Year 6 combination of Rory McConnon, Jonathon Cullinane, Nadhmi Auchy and Alexander Scott that stole the show. With a near perfect display of swimming powers, the opposition was blown away. The Wetherby team narrowly lost the squadron relay in the last event of the day, but their lead was unassailable prior to the race. Wetherby were declared the overall winners, cue fist pumps and high fives all round!

I look forward to the next outing at the London League Qualifiers in two weeks' time.

Jonathan C completes the Long Ducker 10K

Jonathan C (6T) ran the Long Ducker 10k over the weekend. Here he is crossing over the chip mat at the highest point in Harrow, the hill that just keeps giving! Jonny did really well considering he hadn't trained for this event before and is not a natural runner. Well done, Jonny!

It's a Win for the Giants!

Last Sunday Aidan D in 7G played and won the London Sports senior division flag football championship with his team, the Giants. Well done, Aidan!
