## From the Headmaster

Dear Parents,

Well that went better than I thought it would! A rather complex streaming process, across two platforms, seemed to work really well and we can definitely say that the first 'Friday Assembly LIVE!' was a success. At one stage, we had over 100 people watching on Instagram and the comments that populated the stream were fantastic, if a little distracting at first! Most were current parents but there were also old boys, old parents and, I think, my own mother – hope you all enjoyed it! My older son Patrick popped up as a viewer at one stage but then left – hopefully this was because he had to attend his own Assembly rather than switching off because he was bored or embarrassed.

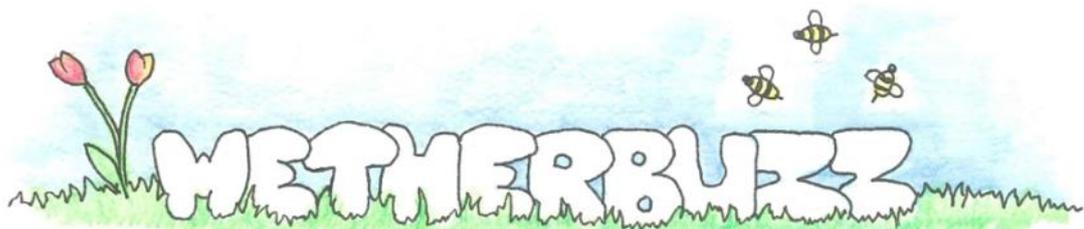

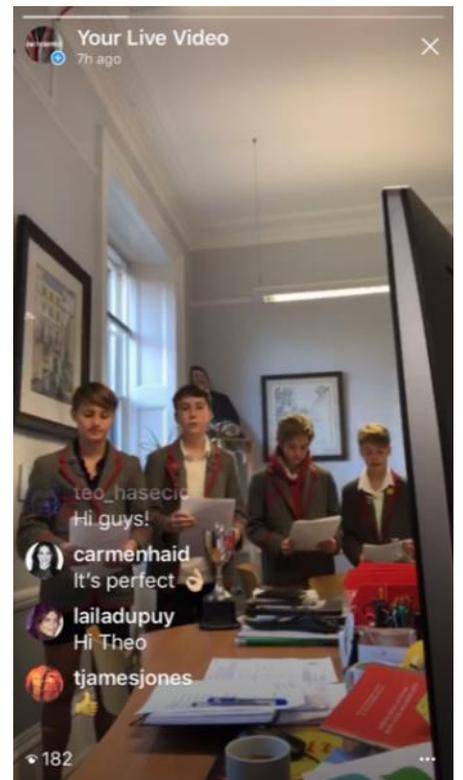

I thought the (truncated) choir sounded superb and started off proceedings brilliantly, before the PLT got into their stride with the housepoints. Bit of confusion from the boys as they came down to get their certificates, wondering if they could just waltz into my office on this occasion, but we got there in the end. Our Citizen of the Week, Oliver Toon, Sportsman of the Week, Sebastian Jones, and Figurative Language winner, Oliver Hogben, coming down to rapturous applause emanating from all parts of the building, was great fun and created a real sense of occasion. The atmosphere in my office was slightly odd, compared to the 400+ congregation we are used to, but it felt a little bit like 'The One Show' with a small but vocal audience, jolly along broadcast proceedings. Maybe Matt and I have more in common than just our surnames...

We are trying everything to get back to the Church but it may well be that our 'virtual' assemblies will continue for the next few weeks at least. This will also give us an opportunity to iron out any issues and perfect our process. If you missed the broadcast or boys want to watch it again, it is still available on our Instagram page – search 'wetherbyprep' and then click 'stories'. A school that stands still is not one that I would want to be a part of and we will continue to think of interesting, progressive and creative ways to keep our School so special and developmental. That said, it is clear that I am becoming rather 'predictable' these days. One member of staff and at least two parents asked me this week, "Where is the annual Bluebell Wood picture?" Good point! We've moved from the countryside, of course, so I feel a bit of a fraud sharing a picture of what is no longer my local area but here are said bluebells, a picture I took last Sunday whilst on a 'London to Paris' training bike ride in my old stomping ground – a beautiful sight.

Have a good weekend...

A handwritten signature in black ink, appearing to read 'N Baker'.

# Friday Assembly LIVE!

*Citizen of the Week*

This week's Citizen of the Week is Oliver in 5S. Of a cheery disposition, he is so positive and always approaches his lessons with plenty of enthusiasm and commitment. Oliver did particularly well in his exams. Well done, Oliver!

*Sportsman of the Week*

This week's Sportsman of the Week is Sebastian in 6T. Sebastian is so talented at cricket, that he was playing two years above his age range against Emanuel this week. Technically, Sebastian has the potential to take his cricket to the highest level. Well done, Sebastian!

*Class Achievement*

Miss Waters Year 7 Drama Class—7G

**Attendance:** School Council Representatives and PLT

**Issues/Ideas brought up during meeting and action plan:#**

**Salad bar** – Thank you, Chef Peter, for the addition of pears at lunch time. On a similar note, some of the boys have requested cherry tomatoes for the salad bar and sandwiches.

**Prize Giving** – A few boys suggested some prizes for Prize Giving this term. These included: Charity Prize, Wetherby Boys' Boy and Most Contributions to Wetherby Life. A few Year 8 boys also commented that it would be nice to award more of the 'Highly Commended' to boys lower down in the school.

**Summer Fete** – The boys are really excited about the Summer Fete this year. They had two ideas about the stalls to run which include 'pin the tie on Mr Baker' (a cardboard cut-out) and splat the teacher (sponge in the teacher's face).

**Football World Cup** – All the boys are excited about the Football World Cup and have asked that Form Tutors run a sweep-stake again for their forms.

**Photo Competitions** – Some boys suggested a weekly Wetherbuzz Photo Competition for 'Photo of the Week'. Another idea was to run a competition over the summer where boys had to take a branded Wetherby item on holiday and take a photo in a far flung destination.

**Summer Reading Challenge** – One boy suggested that to encourage boys to read over the summer holidays, a reading challenge should be set where a small prize could be awarded at the beginning of the Autumn Term.

**Themed Days** – Two suggestions for themed days over the next term include 'Grandparents Day' which is a day the Pre-Prep organise and the other, to form part of PSHE and Citizenship, is 'Take Your Son to Work Day'.

**Charity Day** – To raise awareness for the school charities, some ideas were suggested. The Year 8s were particularly keen on a mufti day again this term. The other idea was 'Rwanda Day' which encouraged picking up any litter (like Rwandans do on the last Sunday of the month - <http://www.allaboutrwanda.com/umuganda.html>).

**The next meeting is scheduled for Tuesday 15<sup>th</sup> May at 8:30am in the Dining Room.**

#### From the Art Department— Nancy Rothwell Award

Miss Kirby writes...

Art and Science are working on a cross-circular project to develop a set of specimen drawings. We have looked at plants, fish, crustaceans and insects under the microscope and taken a series of photographs to enhance our observational drawings. This fantastic project has been inspired by The Nancy Rothwell Award, which celebrates specimen drawing in schools and highlights the benefits of combining art and science (thanks to Mr Tilleray for the suggestion). We will enter our best work and hope to win a day with the artist in residence at the Royal Veterinary College. For further details and to show any interest siblings please visit: <https://www.rsb.org.uk/get-involved/rsb-awards/nancy-rothwell-award>

#### From the French Department—French Exam

Mrs Jenne writes...

Just a reminder that Year 7's French listening exam will be taking place during their French lesson on Monday, 21<sup>st</sup> May. Have a great week in Slapton Sands!

#### From the Music Department— Violins and Chamber Choir

Miss Orpwood writes...

##### **Violin Update**

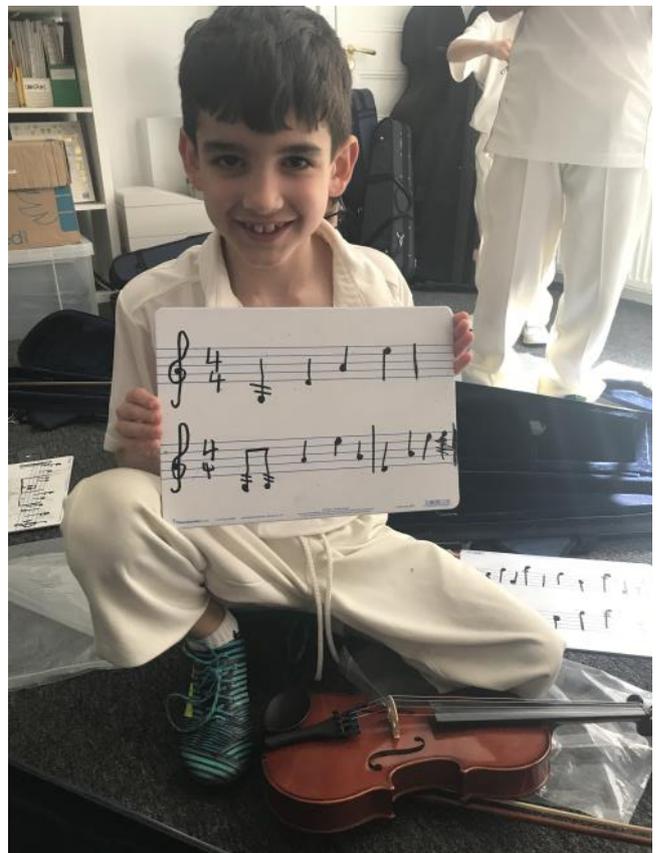

Violin madness still continues at Wetherby! 3P and 4A have now started to use their fingers which means they can play so many more pieces. This week in our violin lesson we composed our own pieces. 3P learned how to notate the four violin strings on the staff and then composed two bars of music using their own rhythms. 3P then practised their own compositions and performed them to the rest of the class. We were very impressed with the creativity of their pieces.

##### **Chamber Choir**

On Monday 21<sup>st</sup> May Chamber Choir will be performing La Boheme alongside the Kensington Symphony Orchestra. This is such a wonderful opportunity for the boys and as always the Chamber Choir have risen to the challenge; they have quickly picked up the music and Mr Brawn and I have been thrilled with their Italian. This week Russell Keable, conductor of Kensington Symphony Orchestra came to rehearse with the boys. Russell was similarly very impressed with how well the boys sang and is very much looking forward to working with the boys and the orchestra. If you would like to come and watch us, tickets can be purchased online: <https://www.sjss.org.uk/events/puccini-la-boh%C3%A8me>

## From the Science Department—Year 6 Science Day

Mrs Harris writes...

As Year 6 missed Science Week for their residential trip to France, they were lucky enough to attend Wetherby Senior School for a Science Day last Friday. Mr Hasthorpe and his team of science teachers at WSS kindly invited us to a day of amazing science workshops which all the Year 6 boys thoroughly enjoyed. They learnt about flight and built their own aircraft, they learnt the art of dissection and carefully dissected a heart, they solved a crime in a forensics workshop and they experienced some exciting and explosive Chemistry experiments. Before heading back the boys enjoyed a delicious lunch and experience life in a senior school, even using the common room too! Thank you so much to the team at WSS, the WPS boys had a great day.

Miss Phoenix writes...

In 3P we have been looking at using metaphors in poetry to describe colour. The boys have created some beautiful imagery with stunning metaphors. Great work 3P!

#### G Lund – Red

Red is the spark that lights the fire.  
 It is a red rose opening it's petals in the sunlight.  
 It is an exquisite ruby gleaming in the hidden caves.  
 It is a burning sunset dazzling across the sky.  
 It is a crisp crunchy crimson apple ready to be eaten.  
 Red is a deep cut dripping scarlet blood.  
 It is glowing magma slowly oozing out of a volcano.  
 Red is anger raging through a boy's heart.  
 Red is smouldering embers in a dying fire.  
 Red is a supersonic Ferrari tearing down the track.

#### Kimon Kantouras – Blue

Blue helps the clouds to live in the sky.  
 Blue is the blueberries which make blueberry pie.  
 Blue is the parrot flying high in the sky.  
 Blue is the ocean in which fish dive.  
 Blue are the wings of the butterfly flying by.  
 Blue is a glittering crystal, it is beautiful in the splashing ocean reflecting the sun in the sky.

#### Dylan Kohli – Red

Red is a ripe strawberry, dangling on a branch, waiting to be eaten.  
 Red is a scarlet ruby in an exquisite ring.  
 Red is a supersonic Ferrari zooming past.  
 Red is a beautiful rose blooming from the soil.  
 Red is the gigantic sign of Wetherby!  
 Red is a sizzling fire burning in a furnace.

5. **Ethan Ruimy** Y5 - *"The lightning struck like a bullet from a gun."*
4. **Fergus Farrell** Y5 - *"The wind was a malicious dragon."*
3. **Bailey Pittack** Y3 - *"He plunged the key into the treasure chest as though he was casting a spell."*
2. **Leonardo Bertolo** Y5 - *"His fingers were a replica of his teeth, chittering and chattering."*
1. **Oliver Hogben** Y4 - *"Alfie's senses were aroused when he heard a crunch in the emerald green grass. Suddenly, he turned his head like a spinning roundabout and his eyes focused on a creature as big as The Shard in London."*

**Cricket term**

**U10 A-C vs Fulham Prep**

The U10s picked up two wins out of three against Fulham Prep. A big improvement from the previous week. Well done!

**Man of the match A team: Harry Lister**

**Man of the match B team: Leonardo Bertolo**

**Man of the match C team: Emmanuel Tomazos**

**U10 Franchise cricket**

U10s enjoyed a fine afternoon of cricket which saw the Cavaliers defeat the Raiders and Shamrocks beat the Warriors.

**Cavalier's man of the match: Daniel Lewis**

**Shamrocks man of the match: Luca Pozzo**

**U11 Franchise cricket**

U11 franchise boys played their first franchise fixture of the season and the Chargers raced to victory against the Panthers whilst in the other game, the Broncos proved too strong for the Knightriders.

**Chargers man of the match: Nicolas Wright Rocafort**

**Bronco's man of the match: Oliver White**

**U12A team vs Emmanuel**

Congratulations to the U12s who reached the LSCA quarter finals after beating Emmanuel school

**U9 A-D vs the Hall**

The U9s travelled to the Hall and everyone gave it their all. Well done to the A and B teams for their impressive wins.

**Man of the match A team: John Coupland**

**Man of the match B team: Kasra Shirazi**

**Man of the match C team: Finlay Dunn**

**Man of the match D team: Taymour Auchy**

**U9 Franchise cricket**

U9 Franchise boys enjoyed another fine afternoon of cricket. Some fine batting on display and eye-catching boundaries! The Sixers beat the Heat whilst in the other game the Strikers defeated the Blasters and finally the Scorchers beat the Elite.

**U8A-B vs Orchard House**

The U8s made their Wetherby cricket debut and did the school proud! Well done to all involved!

**Man of the match A team: Alexander Dupuy**

**Man of the match B team: Bear Seidel**

**U13A-B team vs the Falcons**

The boys produced some outstanding cricket and came away with one win and drew the other. Excellent effort.

**Man of the match A team: Ahmed Alshubaily**

**Man of the match B team: Zachary Wulfsohn**

Bulls beat the Buccaneers – **Man of the match: Leander Straub**

Roosters beat the Dukes – **Man of the match: Cody Juma**

### From the swimming pool...

Mr Bayes writes...

A busy week in the pool last week saw the swim squad compete in two galas with great success. The rep squad, which combines the fastest swimmer in each stroke, travelled out to Caldicott to compete in a quadrangular inter-school gala with the hosts Caldicott, Ludgrove and Horris Hill.

The squad swam superbly and there were some exceptional performances. The coaches from the competing schools were very complimentary about the quality of our squad and were full of congratulations. The mark of a quality squad is always their relay success, and with Wetherby winning 90 percent of the relays, we came out comfortable winners. Swimmers of note were Taymour Auchi who is swimming really fast, Thompson Higgins who always has such a positive “no fuss” attitude towards his work in the pool, and Maxime Chailley who is making huge progress with his fly and front. Well done to all swimmers who competed, you represented the school with distinction. The squad's true strength is its team spirit and selfless attitude.

On Friday of last week, a mix of our A and B squads lined up against Thomas's and Notting Hill Prep in a triangular inter-school gala. The progress our squad is making overall is phenomenal and there is some real pressure being applied to the A swimmers for their positions. The squad performed brilliantly, but was narrowly defeated by the Thomas's A squad. The final rankings were Thomas's A, Wetherby A-B and Notting Hill Prep A. Well done to all swimmers.

A sunny morning for the Year 8 rowers. Photo by Mr Dean.

### The Seidel brothers visit a Marie Curie Hospice

Killian and Bear write...

Do you know what Marie Curie does, or what it is? You may have seen the collection box at reception, the one where you get a little yellow daffodil pin. That is for Marie Curie. Marie Curie is a charitable organisation, funded by the NHS and private donations. Their doctors and nurses offer free nursing and medical care to those with terminally ill conditions. Marie Curie provides care for patients in their own home during the day and night and they run 9 hospices across the country. On Friday last week, we met with Marco, who is a bereavement councillor at the Marie Curie hospice in Hampstead. His job is to help families where usually one parent is terminally ill and the family needs to manage the communication with the children of the patient. His job is a really tough .

The job these doctors and nurses do is amazing, full of compassion. If you can, please make a donation [www.mariecurie.org.uk](http://www.mariecurie.org.uk).

### Hunters fly Tiger Moths in tandem!

James and Jasper Hunter write...

The Tiger moth is a famous British biplane. By the start of World War II, the RAF had around 500 Tiger Moths in service, mainly used for trainer aircraft, providing many airman their first taste of powered flight. Here we are in flight!
