# From the Headmaster

Dear Parents,

Today we say goodbye to two members of staff: Ms Gayle Russell will be leaving today...but will return, newly named as Mrs Gayle Marshall, after her wedding to Toby tomorrow; we wish them a great day and long and happy married life together. As I said to her yesterday, "I don't need an invite, just a picture for the Wetherbuzz." - I look forward to sharing that with you all after half term. We also say a final goodbye, for the second time, to gap student Jack Knight. Jack first left in 2015 after being at Wetherby as a pupil (and before that, the pre-prep). He was a first class pupil throughout his time here and I remember him saying to us back in 2015 that he would be back as a gap student. We are so glad he has delivered on that promise as he has been a superb addition to the team here, both in the school building during lockdown and since we all returned in March. Thank you Jack – a true Wetherby Prep legend in every sense!

I appreciate that there are those that like to celebrate birthdays and those that don't and then some that have no choice whether they are celebrated or not! One such case in point was Jude's 40<sup>th</sup> birthday yesterday. We didn't check if it was ok to publish her milestone age to the world but she didn't seem to mind and it provoked lots of excitement amongst the staff, boys and parents sending her wishes both in person and on Instagram throughout the day. We have set a NEW! Wetherby World Record for the over 200 'likes' and countless congratulatory comments attached to one of our posts with yesterday's of Jude amongst the balloons, eclipsing the previous record of 'Mr Baker with Labrador' and 'Hal mending a puncture' – there must be a digital marketing message in there somewhere...

It is great to hear that many of you are managing to be more adventurous with travel plans than in the previous half terms and holidays, a sure sign that things are gradually getting back to normal. We wait, with great anticipation, for confirmatory news on what we can and can't do post 21<sup>st</sup> June as there are key events planned that we are so looking forward to putting into action. As soon as we get the green light, we will publish all details but as you have come to expect from us, if we can, we will – the intention is that we end 2020-2021 on a real high.

Have a great half term,

Nick Baker

# Old Boy News

## Mr Baker writes...

In more 'Old Boy News' I was delighted to take a visit from Zain A (Class of 2017) to proudly tell me that he has been made a member of 'The Eton Society' or 'Pop' as it is more commonly known at Eton. This is a group of 22 'Elite Prefects' at the College who follow in the footsteps of some of the most remarkable and well known people in society today. As well as Zain, we have another boy from that year group, Nilesch J, who has been selected – 2 WPS boys in the 22, that's what I call flying the flag boys, well done!

### *Citizen of the Week*

This week's Citizen of the Week is Reuben J in 8V. Throughout his time at Wetherby Prep, Reuben has been a model citizen. He has worked hard and been calm, measured and great company within the school community. He is increasingly articulate and speaks with a maturity and confidence of someone who knows his own mind. Well done, Reuben!

### *Sportsman of the Week*

This week's Sportsman of the Week is Alexander C-B 7T. On Wednesday afternoon's top of the table clash in the Y7 franchise between the Bears and the Irish, a see-sawing game went down to the last ball. Alex bowled the final spell, an over with much incident. He didn't let the drama affect him and helped the Bears record a win by a single run on the final ball. Well done, Alexander!

### **Townsend Warner Boys (History)**

In completing the papers these boys have shown a dedication to history as a subject. In addition, they have done this in a time where the pressure of end of year exams is reaching its peak yet their determination to represent the school nation wide is a matter of great pride.

### *Class-Achievement*

# Kindness Cup

**Carlos O De C 5A**

Every Friday, Carlos helps me with the lunch time. He shares his food and hands out the lunches to all the boys. He is a wonderfully kind boy.

*Miss Andrews-Bowen*

## Other notable 'Acts of Kindness'

◆ **Michael L 7T**

Michael noticed I was carrying a heavy pile of books on the stairs and he immediately stopped and asked if he could help carry them up to my office. Such a kind gesture. *Mrs Furnell*

◆ **Moritz M 5S**

Moritz gave Alexander his cupcake because it was Alexander's birthday. Moritz shows kindness all the time and is such a wonderful addition to the 5S team. *Alexander and Oliver (5S)*

◆ **Bohan P**

Bohan was incredibly polite when he came in to get his bags in the middle of our second paper. He very quietly and carefully, gathered his things and then told us to have a nice day. It meant a lot in the middle of a two hour exam! *Nomination from the Townsend Warner Year 8 boys*

◆ **Alexandre D 6E**

Can I please nominate Alex Dupuy for the Kindness Cup as he fixed my spacebar when it was broken. *Zain M*

◆ **Nicolo F 6E**

Thank you for comforting me at break and for buying me sweets at tennis club. *Timotheé C*

◆ **Sami K**

For doing a brilliant assembly on revision for Y7 and 8 on Tuesday. Thank you for sharing your wisdom with us! *Miss Orpwood*

◆ **Samuele B**

Sam was incredibly kind to me in our swimming lesson this week. I didn't have my swimming kit and I sat on the side with him. He very kindly let me revise with him, which was really helpful! *Ratan D'S*

◆ **Dastan S 4P**

Dastan kindly took my lunch tray without me asking. *Archie A*

◆ **Lorenzo G 4L**

Lorenzo helped me during a revision session yesterday. Thank you! *Rafael F*

◆ **Raffi P 7T**

I would like to nominate Raffi for the Kindness Cup because this Tuesday I lost my AirPods, and Raffi kindly went to look for them because I was in a hurry to go to tennis. He then continued to look for them after school and found them and returned them to me the next day. *Gustav F 7T*

◆ **Orlando S**

I was so thankful to Orlando for making Jude's birthday card, especially as he took this home to do and has exams around the corner. Thank you, Orlando! *Miss Orpwood*

◆ **Alvaro C**

Came back with some Haribo for getting his HMGS signed off and instantly started sharing them with the other boys before he took any for himself. Thought it was a really selfless thing to do considering he had earned that as a reward! *Miss Wood*

◆ **Giacomo L-Z 4P**

Thank you for helping me when my Surface Go ran out of battery, and he allowed me to pick which Aztec god to research. *Stefanos P*

◆ **James T 4S**

James created his own exam paper/questionnaire for staff to complete as he's new to WPS and he wanted to get to know us all better. Such a sweet gesture! *Miss Hood*

## **School Exam Week**

Many congratulations to all boys in Y3-7 who have completed exams this week. It has been a long week for them and they rightly deserve a week off!

Results will be emailed directly to you by Wednesday, 14<sup>th</sup> June – please look out for them in your inbox.

## **The Curiosity and WIRE Projects**

It is that time of year again when we encourage boys to take part in The Curiosity and WIRE Projects. The Curiosity Project is for Years 3 - 5 and The WIRE Project is for Years 6 - 8. Your project can be on any topic which you find interesting - last year we had an app created, a podcast launched, radios built, videos of various sports and some wonderful musical compositions, to name just a few! All boys are encouraged to enter and you should present your project in a creative way. It could be as simple as a PowerPoint or a poster or it could be a work of art, a composition or a video you have made. It is totally up to you.

Some Year 4 boys have already completed their projects and thank you so much for this; they will be considered alongside all of the entries after half term. Year 8 will be completing their WIRE projects during the post-CE programme so that they can spend half term focusing on revision.

**The deadlines are:**

**The Curiosity Project - 18th June**

**The WIRE Project (Years 6 & 7) - 25th June**

## Helping the Covid Vaccination Effort

We were delighted to provide laptops to Brent Central Mosque to assist them with processing vaccinations in their local community. More laptops means more stations at the centre and therefore more capacity to vaccinate people. Ayaan C (6F) delivered the machines on behalf of the school and we have received a warm letter of thanks from Dr Riaz – more than happy to help the national vaccination effort!

## Space News w/b 24.05.21

**Miss Lister writes...**

Dear Wetherby family,

## Alien raindrops are similar to those on Earth

Alien rain isn't as foreign as you might expect. Showers on other worlds can definitely be exotic. On Saturn's huge [moon Titan](#), for example, liquid hydrocarbons fall through the skies, course down river channels and fill big lakes and seas. But those Titanian methane droplets — and the sulfuric acid globules that fall on [Venus](#) and the liquid helium that makes up Jupiter's rain — are actually broadly similar to the raindrops that splash down here on Earth, a new study suggests.

*Cette semaine, nous avons préparé du "pain perdu".*

*This week, we have made « pain perdu »*

"Pain perdu" is better known as "French toast" but it literally means, "lost bread". It is made of bread that will soon be off. To save the bread from being wasted, we cook it following this simple recipe.

## **Ingrédients:**

- 300ml milk
- 100g sugar
- 2 eggs
- slices of bread/brioche
- 1 tbsp oil
- 

## **Recette:**

- Whisk together the eggs and milk.
- Soak the slices of bread in the mixture.
- Heat 1 tbsp of oil in a non-stick frying pan over a medium heat.
- Add the soaked bread/brioche to the frying pan. Fry for 3 minutes on each side, until golden and crisp, then place on a plate.
- Add sugar on each side of the bread/brioche.

Vidéo de la recette: <https://www.youtube.com/watch?v=KN3CCzPtMEo>

*Bon appétit !*

Try it at home and if you do, send some photos to Mademoiselle Flomet on Teams or email. An HMGS will be awarded for your effort.

## Year 6—Printing inspired by Hundertwasser

The Year 6s have been working hard in their art lessons to produce a series of prints in the style of Austrian artist 'Hundertwasser'. After half term, they will add additional layers on top of their existing prints to mimic the vibrancy of Hundertwasser's work. Well done so far Year 6 – a great start to the project!

# Wetherby Sport

**Mr Trencher writes...**

## **Sport Report**

For the final sports report of this half term, we start with the Year 4's who battled it out against tough Sussex House and St Anthony's teams. The A and C team were both equally matched by their opposition with the C team coming up short by two runs. Zaym proved to be a very capable batsman for the A team. In addition, Cassius found great success when bowling, taking two wickets in the last over of the match. The F and G team also had highly intense fixtures. The F team produced the only win of the afternoon but special mention goes to Sebastian who did an incredible job scoring the match. Zahaan showed off his impressive batting skills for the G team, who were unlucky not to come away with the win.

Unfortunately, the Year 6's were left without fixtures this week due to the turbulent weather. Despite this, the franchise still produced some fantastic matches. The Tigers overcame the Jaguars as a result of Junyi aggressive batting performance. Bailey led the Lions to victory over the Panthers and Ludovic performed exceptionally for the Wolves in their win over the Sharks.

The Year 7's experienced similar misfortune when it came to their fixtures. Filippo showed great resilience for the A team as they came up against a determined Thomas's Battersea side, who ultimately proved too difficult to overcome. This week's franchise matches were extremely thrilling as we saw a matchup between the Bears and the Irish for first place supremacy. Alex batted with precision to help the Bears win by 1 run.

Moving to the top of the school, the Year 8's unfortunately fell short against Thomas's Battersea and Hill House. However, the Wetherby boys never gave up hope. Drago bowled exceptionally well for the A team. Matthew similarly performed well for the B team.

The Year 5's had a rather successful outing against Thomas's Fulham and St Stephen's. The D and E teams both claimed the victory over their opposition with standout performances from Nicolas and Leo. The A team had a scintillating match against Thomas's Fulham which resulted in a tie. Caspar claimed man of the match as a result of his talented batting.

We were also delighted to once again see the inter-house fencing competition. The end result was Westbourne in 4<sup>th</sup> place with 23 points, Pembridge in 3<sup>rd</sup> place with 25 points, Dawson in 2<sup>nd</sup> place with 31 points and Chepstow in 1<sup>st</sup> place with 32 points. The players of the tournament were James, William and Xan.

A great end to this half term.
