From the Headmaster

Dear Parents,

Just as we look to be coming out of the Covid storm, you will have seen from my letter today that we are still required to react in line with government guidance to cases within our community. Other schools in London seem to be experiencing similar issues and though the vast majority of cases appear to be asymptomatic, it is for the greater good that the spread of the disease is limited by self-isolating. We look forward to having 4S back a week on Monday.

Positive cases in our school and elsewhere do put big question marks on whether the June 21st 'freedom day' will be honoured. I'm not a pessimistic person as you know but even I would say that this is looking less and less likely which will have a knock on to our end of term events, notably the Fete, Sports Day and Prize Giving. Though these are all outside events, the big issue is mixing of year group bubbles. If those are allowed as a concession, we're in business; if not, we will have to re-think. This though would be a crying shame and another blow to Lisa Giles and Michelle Paul (PTA Co-Chairs) who have done such a brilliant job planning 'Wetherrocks' to date. With these two in charge of PTA, 2020-2021 was going to be an amazing year, but Covid has cruelly kept that from us. Hopefully, we can still have the Fete as their swansong and a celebration of their immense contribution, support and friendship of the School over many years.

With the Euros starting today, it's a good excuse to drag the boys off their devices and come together as families to enjoy these events. I can remember where I was for every Euro or World Cup tournament; from watching England vs Poland late into the night on a black and white screen I had in my bedroom in 1986 to the last World Cup where we finished Prize Giving promptly to then rush back to school to watch England beat Columbia on penalties in the Library. All memorable occasions and I'm sure more to come – amongst our community I suspect we have every participant country covered with family allegiance, so good luck to all countries, but particularly England...and all those countries that have Watford players in their squads of course.

Football is a big passion of mine, as is cycling and I spent a very enjoyable day with Mr Lock, cycling around St Albans over half term (see picture below). We traded ideas of how to entertain our children over half term and I told him about the [new Lego set](#) I'd bought Patrick and Joseph. I love Lego but this one is a work of art – literally – once finished, it has a hook on the back to hang on the wall. It's expensive for a Lego set but my boys have loved it, particularly as you can do one square at a time, building slowly until all 45 are completed. Once finished, you have created a metre long world map. If your boys love maps and Lego and want to do something collaboratively with their siblings, look no further – it's my purchase of the year so far!

Come on England!

Nick Baker

Staff News

Congratulations to Mrs Marshall!

Citizen of the Week

This week's Citizen of the Week is Thomas C in 6M. Thomas drew praise from all corners of the school this week—Maths progress, horse riding and guitar and music lessons—now that's what I call an all rounder! Lovely scenes in the classroom this morning during Assembly—well done, Thomas!

Sportsman of the Week

This week's Sportsman of the Week is Edward S in 8O. To take 5 wickets in any match is remarkable but to take them for just 4 runs is worthy of the honours board at Lord's! Edward rattled through the Sussex House batting order with ease and helped the team to a convincing victory—well done, Edward!

Class-Achievement

Kindness Cup

Zahaan M 3H

This boy shows kindness and consideration every day, including when he was a member of Space Club during the holidays. At the start of every lesson, he says how much he is looking forward to the class and says thank you for the extra preparation that goes in to practicals being done in the lab. He also congratulates others when they win an award or receive an HMGS; what a lovely attitude. *Miss Lister*

Other notable 'Acts of Kindness'

◆ **Stefanos P 4P**

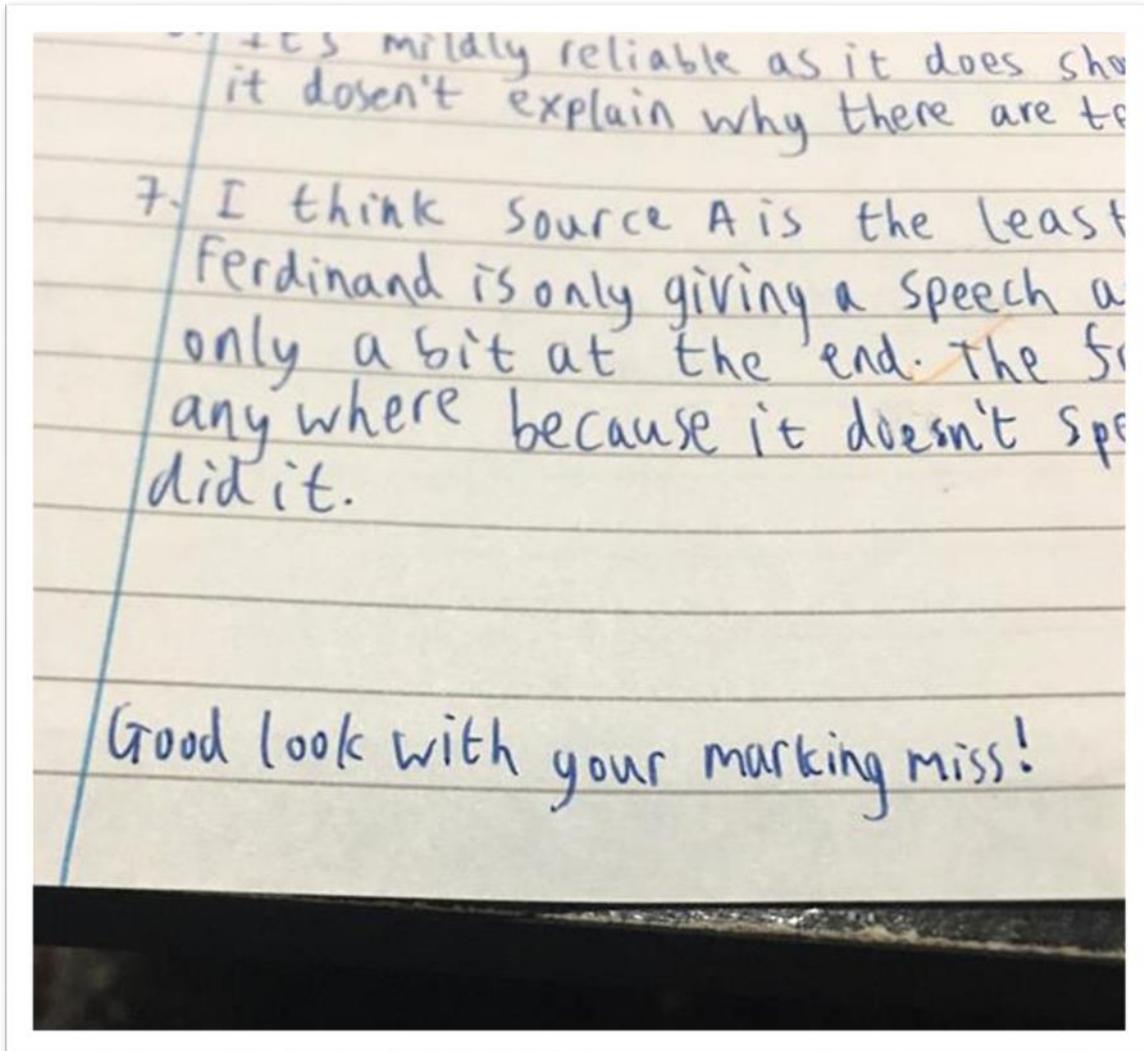

Stefanos saw that I didn't have snack and got me some from the school snack bag so that I wouldn't be hungry. *Dastan S*

◆ **Kit K**

Kit has been an absolute gentleman this week to the external CE candidates. Whenever in a break he is chatting with them. At Hyde Park, he includes them in a kick about. Real show of maturity and friendship - very impressive. *Mr Lock*

◆ **Bohan P**

Bohan leaving a lovely note for me to see when marking! *Miss Cox*

WE WANT YOUR BOOKS!

SECOND HAND BOOK SALE

FRIDAY 18th JUNE

Please bring in book donations between Monday 14th and Thursday 17th.

Have you got any fabulous books that you have read and are willing to pass on to others?

Books should be in good condition and suitable for the students in our school. We will be arranging them into those suitable for Y3/4, Y5/6 and Y7/8 (also fiction and non-fiction).

On Friday 18th, bring in some change to buy some books for yourself or family and friends.

All money will be donated to Wetherby Prep charities.

PTA News

With much mirth, H el ene Govindan and Jessica Asher will be taking over from Lisa and Michelle as co-chairs of the PTA from September 2021. Inji Shabrawishi will join them as Secretary.

H el ene is Mum to Alex in current Year 7, Jessica to 'G' and Harry in Years 6 + 7 and Inji to Taymour in Year 7.

Lisa and I could not have left the PTA in better hands.

We wish them the best of luck but know that with this wonderful Wetherby community, all of you will give them the utmost of support.

With love,

Lisa and Michelle

Theatre Intensives

Dear Wetherby family,

Alien raindrops are similar to those on Earth

Alien rain isn't as foreign as you might expect.

Showers on other worlds can definitely be exotic. On Saturn's huge [moon Titan](#), for example, liquid hydrocarbons fall through the skies, course down river channels and fill big lakes and seas.

But those Titanian methane droplets — and the sulfuric acid globules that fall on [Venus](#) and the liquid helium that makes up Jupiter's rain — are actually broadly similar to the raindrops that splash down here on Earth, a new study suggests.

History Department

Miss Cox writes...

'Weird, Wonderful World' project

As the academic year comes to a close and examinations are completed, we have moved towards a more active approach to learning in history. In scholarship, this has taken the form of the 'Weird, Wonderful World' project in which the boys have been encouraged to move away from the structural rigidity of historical skills and follow their knowledge based passions in finding the strangest event from history and presenting it to one another in a performative piece. After being given the example of the 1932 Australian Emu War (in which Australia lost a war to said birds), the boys bubbled with innovative ideas. Whilst many decided to use the format of rhyming, creative (and often hilarious) raps, we also witnessed inventive visual pieces and dramatic sketches in a range of topics including; Vlad the Impaler, Russia's leaders, Genghis Khan, The Molasses Flood (1919), The 1904 Olympic Marathon Race, Mozart's Piano Duel and an insert into the life of 'The Mad Queen Mother' Maria Eleanor of Brandenburg. The boys responsible for these pieces can be seen in the accompanying images (as they were a little embarrassed about the videos but they did incredibly and once again displayed their passion and zeal for the subject) and in turn have also inspired this week's history crosswords where you can find out more about the events that the boys spoke on and some extra happenings too! Now that the scholars have kicked off the term with a bang, get ready Wetherby, there's more active history to come!

Wetherby Sport

Mr Trencher writes...

Sport Report

On Monday afternoon the sun was shining, birds were chirping, and the echoing sound of cheers thundered around the Arnold House sports ground as Wetherby's U11 A and C teams batted, ran and fielded with astonishing skill and prowess. Unfortunately, despite the best efforts of Harrison B and Ayaan C (both of whom scored an impressive number of runs), Wetherby suffered two losses to the impenetrable defences of the Arnold House sides. Meanwhile at home, the tension rose as Jonah Gand Ethan W both provided stiff competition for St Stephen's, catching many on their side out. However, due to the oppositions powerful batting, two more losses were sadly acquired.

On Wednesday the U8-9s travelled back to Arnold House seeking revenge for Wetherby. Luck seemed to be on our side that day with wins from the E, F, G, H, I and J teams as Leo P, Marc P, Felix R, Harry W, George S and Siwoo H all earned themselves 'Man of the Match' with their stunning performances. An incredibly close match was fought between the C teams, resulting in many nail-biting moments for both sides. Balls were caught, runs were scored and stumps were bowled, eventually resulting in a well-earned draw at the end of the day as Noah Ahern equalized the game. Philip B-S and Josh S battled relentlessly for the B and D teams respectively but were unfortunately beaten in the final few bowls of the day as Arnold House only just managed to secure victories. Fiercely the A-Teams battled it out all afternoon, eventually going down to the final over, where, despite Freddie M bowling two perfect wickets, a further two wickets were lost, reaching a very close final score of 20-4 for Wetherby and 24 -4 for Arnold House.

Wednesday further proved an eventful day with the U12 A-Team grabbing a win for the school when playing Sussex House as Alexander S batted his team to victory while Rishaan U led his team (the Wetherby Wasps) to victory against the Wetherby Saints in a thrillingly close game. Similarly, Jasper F managed to secure a victory for his team (the Wetherby Bears) when playing the Wetherby Chiefs with his unparalleled catching skills.

At the top of the school, the U13s had a mighty match with Sussex House, especially due to Edward S superb performance as a stunning victory was won for Wetherby.

Finally, the U10s A and C cricket team travelled to Arnold House. The A team improved on their last performance at Arnold House with an excellent batting partnership from Louis V-S and Ratan D'S. We welcomed St Anthony's to the Wetherby Sports G where it was great to see the whole year group involved in competitive fixtures. The U10 Tennis team were back in action this week away Arnold House. Jonas O and Hugo S both impressed Mr Evans with their tennis skills. Another great week of sport at Wetherby Prep!

Classics Department

Mr Vogiatzis writes...

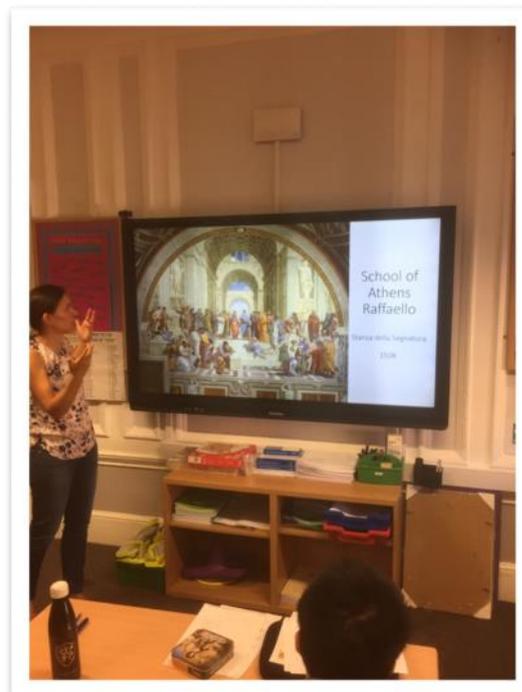

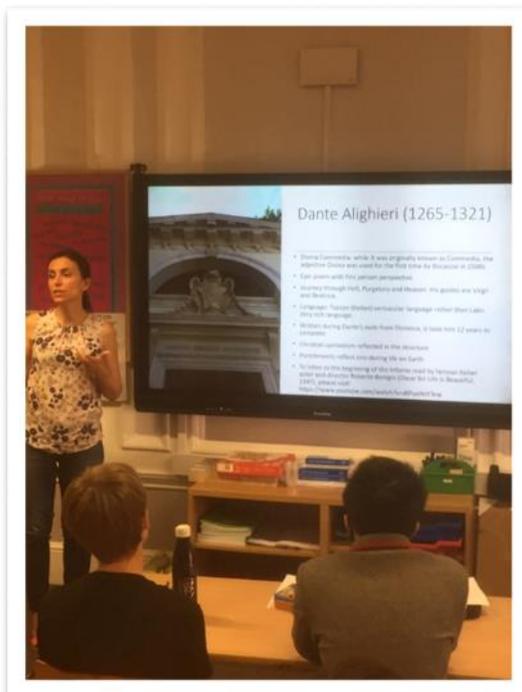

This Wednesday the 9th of June, we were so fortunate to have Mrs Paola Bertolo with us in 8V. She delivered an exquisite presentation on Italy's glorious past and we all loved her enthusiasm, knowledge and passion talking about the Renaissance, Dante Alighieri and his Divina Comedia, the School of Athens, Giuseppe Verdi and the opera.

This has been a great opportunity for the 8V boys to advance their knowledge on the Roman Civilization and appreciate the works of Michelangelo, Raphael and Da Vinci.

"Scientia ipsa potentia est" as we say in Latin, ***"Knowledge itself is power"***.

Grazie mille per la tua presentazione bellissima, Signora Bertolo. Era molto interessante
