# From the Headmaster

Dear Parents,

## End of Term Event Arrangements - revised!

I was desperately hoping to be proved wrong with Monday's decision regarding the delay in relaxing of covid restrictions but unfortunately not. It means that 'Wetherfest', and the 'School Fete' have to wait for another year. The bands will be recording their performances next week instead and we will share the video with you soon. Sports 'Day' will be Sports 'Days' with each group having their own 'day' rather than a whole school occasion. We will miss the catering extravaganza that we normally have at this event but parents of boys in each year group **are invited to attend** and watch their son participate in the running and throwing events. The following times and dates are below:

**Years 3 and 4 - Tuesday 29<sup>th</sup> June 1-4pm**

**Year 5 - Thursday 1<sup>st</sup> July 1-4pm**

**Year 6 - Monday 28<sup>th</sup> June 1-4pm**

**Year 7—Wednesday 30<sup>th</sup> June 1-4pm**

**Year 8—Wednesday 7<sup>th</sup> July 1-4pm**

The Year 8 Music Concert scheduled for **Monday 28 June** at Rudolph Steiner Theatre still takes place. An email has been sent to all Year 8 parents to sign up for tickets as we are limited to the number of people we can have in the auditorium. Please make sure that you fill in the form if you would like to have a ticket. We will also stream on Instagram for parents not in attendance to watch.

The trip to Margate for the winning House can't now happen but we do have plans do reward in a different way – watch this space. Year 8 will still go to Margate as a year group on **Monday 5 July** – further details will be sent to Year 8 parents.

Prize Giving is a logistical headache and pushes the boundaries of how we are to interpret the legislation and restrictions. We are, though, going with what we did last year, just on a larger scale. **All Year 7 and 8 boys and their parents** will be expected to attend Prize Giving **on 6 July at Wetherby Sports Ground at 2pm**. The boys will be sat in year groups and parents in groups of 20 per form. **We are also inviting prize winners from Years 3-6 and their parents**; again, they will be sat in year groups. This year we are opening up a few more prizes to lower school boys and though a minority of the congregation, these prize winners will be a significant minority. Prize winning boys and their parents will be notified in good time.

It is an open air event but it will be sunny and dry on that day – he says. We have a professional camera crew and it will be broadcast to the rest of the school community and their parents via the Wetherby Zoom channel. We will have the biggest of big screens at the event for those present and also so we can welcome the sea of Zoom faces of those boys not in physical attendance.

So depressed at the start of the week but actually, just writing this puts a smile on my face; I think it's going to be our best Prize Giving yet....take that Covid; you can't spoil our fun...

Have a good weekend,

Nick Baker

### *Citizen of the Week*

This week's Citizen of the Week is Felix L 4L. Felix's confidence in the classroom has really grown this term and I've found him such a pleasure to teach. He's so organised but also just anticipates small things. For example, I was showing a video clip to the boys in history and he wanted to ensure it was quiet for the class so quietly closed the door without interrupting the flow of the lesson. A boy that is really coming into his own! *Mrs Furnell*

### *Sportsman of the Week*

This week's Sportsman of the Week is David S in 6F. David played a commanding role in the game vs Thomas's on Monday, hitting three 'fours' in one over. Masterful batting from a masterful cricketer—well done, David!

### *Class-Achievement*

**Year 8 Choir**

# Kindness Cup

**Saverio A 6F**

Saverio was going down the stairs to lunch and then noticed I was coming up the stairs with a tray of books so he immediately ran back up the stairs to open the door for me which was so kind and helpful. *Mrs Furnell*

## Other notable 'Acts of Kindness'

◆ **Noah A and Reis J**

Noah for helping me pick up my Pokemon cards. Reis for helping me pick up my lunch and tray when it spilled on the floor! *Gonzalo Neves Correia*

◆ **Goncalo N C**

He got me a pack of food at break time because I was very hungry. *Hendrik Papasavvas*

◆ **Giacomo L-Z 4P**

As a boy in 4P had difficulty to write and complete a writing task (he had been stung by a spider on his finger), Giacomo straight away offered to be his scribe as he had finished the task. He sat down next to him and both boys cooperated really well together. Lovely to see! *Mlle Flomet*

◆ **Sasha O**

Unprompted, he began helping clean the dining room when others had departed. It wasn't his mess but he helped nonetheless. *Mr Thorne*

## **Sport Report**

In the sweltering heat of Monday afternoon, the Wetherby U11 A-D teams ventured across London to battle it out on the cricket pitch with Thomas's Battersea. Following an outstanding afternoon of balls being hurled and batted around the field, the Cs and Ds emerged victorious, thanks to the phenomenal batting skill of Lewis D, David S and Sebastien B, and fielding prowess of James A (who managed to run a player out by hitting the wicket from 30m away!)

Earlier the same day three impressive victories were achieved by the Wetherby Panthers, Jaguars and Tigers, with Ziyang P, Ludo B and Michael R all putting in magnificent performances.

On Tuesday it was great to see the boys play competitively against each other, especially with a stand-out performance from Leo P who massively proved his worth and was subsequently promoted up a team.

On Wednesday, the quiet-tranquility of the afternoon was shattered by cheers erupting from the North Bridge House sports grounds as a double Wetherby win was achieved by the U12 and U13 A-Teams, especially with Finn C and Chase D leading their teams to victory.

The U12 Franchise also exhibited a splendid set of games with wins from the Falcons, Saints and Irish Teams.

The following day, the U10 A-D Teams returned to North Bridge House, fired up by our recent victory. Wetherby were clearly up for it, and after an adrenaline-filled, competitive afternoon, three out of our four teams returned victorious. Notably, James B managed to both catch someone out and showcased impeccable fielding when backing up the bowler, resultantly winning three consecutive 'outs' for the team. Emilio N, Samuele B and Alexandros A also showcased outstanding Cricket in their respective games, rightly earning each of them 'man of the match', rounding off another great week of sport here at Wetherby.

## Team of the Week

# Environmental Week 2021

The G7 Summit may have been in full swing down in Cornwall, but at Wetherby Prep we have been focusing on Environmental Week! Climate change is of course a big talking point, one that is only getting bigger.

This November, Glasgow will be hosting the COP26 meeting (Conference of Parties) that is organised by the United Nations. We had an assembly this week to focus on what COP26 is and what it hopes to achieve.

This year's meeting is particularly important because world leaders are aiming to make a final agreement about reducing greenhouse gas emissions to 'zero' in the next 30 years. It's vital they make an agreement as doing this will help keep global temperature rises to 1.5 degrees centigrade. Net zero means finding a balance between the greenhouse gases (like CO<sub>2</sub>) that an individual or organisation puts into the atmosphere, and those that are 'taken out'.

We have been thinking this week about actions that we can take that will lead to positive changes. Regular things are turning off unused lights, unplugging unused chargers and walking or cycling whenever we can. We also strive to use our new food waste bins that have been placed in our Dining Hall and class rooms (thank you, Hal and School Council Reps). The food waste is collected by ReFood and turned into green energy! <https://refood.co.uk/>

The Lower School completed a special 'Clean Air Day' active homework and they really got involved in the activities! Here are some examples of lichen found in our outdoor areas in London...

We also held a book sale on Friday 18<sup>th</sup> June. We could not have done this without your generous donations- thank you ever so much for the wonderful books that were brought in for the sale.

On Friday 18<sup>th</sup> June, Year 3 were visited by the Chelsea Physic Garden.
